

SHIPS LOUNGE

Dallas

Oh boy, Dallas. You have one helluva great bar up there. It's called Ships and I've never visited a place like it. Carol Goode tends bar in the daytime at this bring-your-own-bottle joint. This might be the only bright spot of Texas alcohol laws: there is no law prohibiting carrying in a liquor bottle into a beer and wine-only joint. So we cracked open bottle of Maker's and ordered a couple PBR draughts. Anchors away!
